

Afterlife

46 cm x 41 cm
18" x "16

Afterlife is on a 3/4" panel. The paint / resin layer is 3/8" thick with a glossy resin top layer. It is hard to count the layers in this painting due to the fact that the painting is on a shallow tray that is embedded in the painting. The finish resin layer was allowed to "roll over" creating a soft rounded edge that distorts light.
