

Phossy Jaw

33.66 cm x 33.66 cm
13.25" x 13.25"

Phossy Jaw is on a 1/4" panel. The paint / resin layer is 9/16" thick with a glossy resin top layer. The painting consists of four paint and four resin layers. The build up of these layers is a bit organic as can be seen in the image above. The finish resin layer was allowed to "roll over" creating a soft rounded edge that distorts light.
