

Warhead

30 cm x 25 cm
12" x 10"

Warhead is on a 3/4" panel. The paint / resin layer is 7/8" thick with a glossy resin top layer. The painting consists of five paint and five resin layers. The build up of these layers is a bit organic as can be seen in the image above. The finish resin layer was allowed to "roll over" creating a soft rounded edge that distorts light.
